Roast Turkey

It's not hard to develop a passion for our imported American roast turkey. After all, it's basted in a butter and orange gravy and roasted slowly for three hours to delicate succulence. With a spicy Arborio rice, pine nuts and turkey liver stuffing.
Serve hot or cold with sensational cranberry sauce.

Glazed Gammon

Put the feast into festivity and reserve your boneless, smoked gammon today. Garnished with cloves, pineapple rings and glacé cherries. Complete with our homemade brown sugar, pineapple juice and sweet mustard glaze.
Serve hot or cold with gammon sauce.

Bûche de Noël

No Christmas table is complete without it. Fluffy chocolate sponge cake rolled with hazelnut buttercream filling. Smothered in whipped ganache cream.
